(SEC Identification No. 8-67319)

Notes to Financial Statements

December 31, 2017

(1) Organization and Nature of Operations

CBRE Capital Advisors, Inc. (the Company) is a member of the Financial Industry Regulatory Authority, Inc. (FINRA) and became a registered broker-dealer under the Securities Exchange Act of 1934 in October 2006. The Company, a Delaware corporation, was capitalized in January 2006 as a wholly owned subsidiary of Trammell Crow Company. On December 20, 2006, Trammell Crow Company was acquired by CBRE Group, Inc. (the Parent or CBRE), at which time the Company became a wholly owned subsidiary of CBRE. The Company may engage in the following business activities: (1) selling limited partnerships in primary distributions; (2) offering and facilitating secondary transactions in units of unlisted and privately placed real estate funds; (3) private placement of securities; (4) other investment banking advisory services, which could include: mergers and acquisitions (M&A) advisory services for public and private entities, capital structure advisory services, and other general investment banking advisory assignments; and (5) underwriting in the capacity of providing financial advisory or consulting services in connection with public offerings for which the Company will receive underwriting compensation. The Company does not sell securities to customers.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements of the Company have been prepared in conformity with U.S. generally accepted accounting principles (U.S. GAAP). The following is a summary of these policies.

(b) Cash

The cash account balance is held at a financial institution and periodically exceeds the \$250,000 Federal Deposit Insurance Corporation's (FDIC) insurance coverage, and as a result, there is a concentration of credit risk related to amounts in excess of the FDIC insurance coverage.

(c) Revenue Recognition

i) Consulting Revenue:

Revenue from transaction fees is recognized upon completion of the contract.

Retainer fees are recognized in accordance with the terms of the underlying agreements and in accordance with Accounting Standards Update 605, Revenue Recognition, which is generally over the period for which services are being provided. The Company records deferred income to the extent that cash payments have been received in accordance with the terms of underlying agreements, but such amounts have not yet met the criteria for revenue recognition.

Installment payments due in excess of 12 months are recognized as long-term receivables and discounted at a rate approximating the implied cost of capital, 5% for 2017. Installment payments due within 12 months are recognized as undiscounted, short-term receivables.

(A Wholly Owned Subsidiary of CBRE Group, Inc.)
(SEC Identification No. 8-67319)

Notes to Financial Statements

December 31, 2017

ii) Marketing Revenue:

As noted within Related-Party Transactions, the Company provides marketing services for certain CBRE Global Investors' investment funds and supervision of the registered representatives, in return for a fixed fee that is not contingent on subscriptions or investments made by investors. The Company accounts for these fees as marketing revenue.

iii) Reimbursable Revenue:

The Company accounts for expense reimbursements received from third parties as revenue. Expense reimbursement revenue may include, without limitation, third party expenses for real estate consulting or valuation, legal, or accounting or other out-of-pocket expenses such as travel, meals, accommodations, telephone, photocopying, data services, courier and supplies, etc. Reimbursement revenue is recognized in accordance with the terms of the underlying agreement and generally when the related expenses are incurred.

iv) Revenue from Contracts with Customers:

The Financial Accounting Standards Board (FASB) has recently issued five Accounting Standards Updates (ASU), all of which will become effective for the Company on January 1, 2018. In May 2014, the FASB amended Accounting Standards Codification (ASC) (Topic 605) *Revenue Recognition* and created ASC (Topic 606) *Revenue from Contracts with Customers*. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. During 2016, the FASB issued additional implementation guidance and practical expedients in ASU 2016-08 *Revenue from Contracts with Customers (Topic 606)*, *Principal versus Agent Considerations (Reporting Revenue Gross versus Net)*, ASU 2016-10 *Revenue from Contracts with Customers (Topic 606)*, *Identifying Performance Obligations and Licensing*, ASU 2016-12 *Revenue from Contracts with Customers (Topic 606)*, *Narrow-Scope Improvements and Practical Expedients*, and ASU 2016-20 *Technical Corrections and Improvements to Topic 606, Revenue from Contracts with Customers*, to improve the guidance. The new requirements may be implemented either retrospectively for all prior periods presented (i.e., the full retrospective approach), or retrospectively with a cumulative-effect adjustment at the date of initial application (i.e., the modified retrospective approach). However, based on the nature of the Company's business, the Company does not expect a material measurement impact on the Company's results of operations, financial position or cash flows. The adoption of the new guidance will require expanded disclosure which the Company is still evaluating.

(SEC Identification No. 8-67319)

Notes to Financial Statements

December 31, 2017

(d) *Amortization of Discount*

Discounts to the face amount of notes receivable are amortized using the straight-line method over the lives of the respective note receivables. The straight-line method approximates the interest method.

(e) *Income Taxes*

Income taxes are accounted for under the asset and liability method in accordance with FASB ASC Topic 740-10, *Income Taxes*. Deferred tax assets and liabilities are determined based on temporary differences between the financial reporting and the tax basis of assets and liabilities and operating loss and tax credit carryforwards. Deferred tax assets and liabilities are measured by applying enacted tax rates and laws in the years in which the temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates and laws is recognized as income in the period that includes the enactment date. Valuation allowances are provided against deferred tax assets when it is more likely than not that some portion or all of the deferred tax assets will not be realized.

The Company recognizes the effect of income tax positions only if the probability of the positions being sustained is more likely than not. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being realized and changes in recognition of measurement are reflected in the period in which the change in judgment occurs. Based upon the level of historical taxable income and projections for future taxable income over the periods in which the deferred tax assets are deductible, management believes it is more likely than not the Company will realize the benefits of these deductible differences at December 31, 2017. The federal income tax returns for 2014 to 2016 remain open to examination.

(f) *Use of Estimates*

The financial statements have been prepared in accordance with U.S. GAAP, which require management to make estimates and assumptions that affect the reported amounts in the financial statements. Actual results may differ from these estimates. Management believes that these estimates provide a reasonable basis for the fair presentation of the Company's financial condition and results of operations.

(3) *Related-Party Transactions*

The Company has an agreement with the Parent whereby the Parent charges the Company for its allocable share of general and administrative services provided to the Company. The Company incurred \$7,617,072 under this agreement for the year ended December 31, 2017.

CBRE Global Investors, LLC (CBRE Global Investors) is an investment adviser registered with the Securities and Exchange Commission (SEC). The marketing and placement of interests is conducted by certain employees of CBRE Global Investors who are also registered representatives of CBRE Capital Advisors, pursuant to an agreement between CBRE Global Investors and CBRE Capital Advisors, Inc. The Company provides marketing services for certain CBRE Global Investors' investment funds and supervision

of the registered representatives, in return for a fixed fee that is not contingent on subscriptions or investments made by investors. The Company received \$225,600 under this agreement for its services for the year ended December 31, 2017.

The Company engaged affiliate companies, CBRE, Inc., and CBRE Capital Advisors Limited under separate consulting agreements to provide real estate consulting and/or valuation services for select client engagements. In total, the Company paid \$6,460,281 on 11 separate engagements to these affiliated companies for services provided during the year ended December 31, 2017.

In addition, the Company provided advisory services to affiliate company Wood Real Estate Investors LLC under a separate engagement agreement and provided secondary valuation and/or secondary transaction services to affiliate companies CBRE Indirect Investments Services Limited and CBRE Global Investors. In total, the Company received \$1,088,803 on seven separate transactions to these affiliated companies for services provided during the year ended December 31, 2017.

The Company received \$928,501 in equity contributions from the Parent for certain expenses in the conduct of its business for the year ended December 31, 2017. The Company distributed \$1,904,786 of income tax benefit to the Parent from the 2016 tax year effective January 31, 2017. The distribution was in the form of non-cash equity capital, and not in the form of a loan, subordinated or otherwise. Such equity contributions are in the form of non-cash equity capital and not in the form of a loan, subordinated or otherwise.

(4) Net Capital Requirement

The Company is subject to the Uniform Net Capital Rule (Rule 15c3-1) under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15-to-1. At December 31, 2017, the Company had net capital of \$ \$9,483,726 for regulatory purposes, which was \$9,383,726 in excess of its required net capital of \$100,000.

The Company is exempt from the provisions for Rule 15c3-3 under paragraph (k)(2)(i) of the rule because the Company carries no margin accounts, promptly transmits all customer funds and delivers all securities received in connection with its activities as a broker or dealer, does not otherwise hold funds or securities for, or owe money or securities to, customers and effectuates all financial transactions between the broker or dealer and customers through one or more bank accounts, each to be designated as "Special Account for the Exclusive Benefit of Customers of CBRE Capital Advisors, Inc."

(5) Income Taxes

The income tax benefit consisted of the following components:

Current:	
Federal	\$ 744,355
State	73,495
	<hr/>
Total current benefit	\$ 817,850
	<hr/>

CBRE CAPITAL ADVISORS, INC.
(A Wholly Owned Subsidiary of CBRE Group, Inc.)
(SEC Identification No. 8-67319)

Notes to Financial Statements

December 31, 2017

The Company files a consolidated income tax return with the Parent on a calendar-year basis, in which there is a tax-sharing arrangement existing between the Company and the Parent. The income tax liability generated from the net operating income during 2017 would be expected to be paid by the Parent in the consolidated income tax filings for 2017. Since the Company does not reimburse the Parent for its portion of the consolidated tax liability, the income tax liabilities relating to such have been reflected as a capital contribution in additional paid in capital to the Company in the accompanying financial statements.

(6) Subsequent Events

The Company evaluated events occurring after December 31, 2017 and through February 28, 2018, the date the financial statements were issued, to determine whether any items were noted, which necessitated adjustment to or disclosure in the financial statements. No such subsequent events were identified.

Report of Independent Registered Public Accounting Firm

The Board of Directors
CBRE Capital Advisors, Inc.:

We have reviewed management's statements, included in the accompanying CBRE Capital Advisors, Inc. Exemption Report (the Exemption Report), in which (1) CBRE Capital Advisors, Inc. (the Company) identified the following provisions of 17 C.F.R. § 15c3-3 (k) under which the Company claimed an exemption from 17 C.F.R. § 240.15c3-3 (k)(2)(i) (the exemption provisions); and (2) the Company stated that it met the identified exemption provisions throughout the year ended December 31, 2017 without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Ladies and Gentlemen:

CBRE Capital Advisors, Inc. (the "Company") is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. §240.17a-5, "Reports to be made by certain brokers and dealers"). This Exemption Report was prepared as required by 17 C.F.R. §240.17a-S(d)(l) and (4). To the best of its knowledge and belief, the Company states the following:
